KING Ando BLUES BB 1200 BEST COLLECTION

B.B. release the name boards and classic blues that was the main King in Nice price.

Released 45 titles, including the first domestic bunker album centered on big names, such as is known to rock fans / guitar fan.

Product introduction

[Limited Edition]

from the blues of authentic America, active duty crunching, champions survived the fat first landing in Japan! Representative song of course, largess to show off even original songs for the Japanese stage. Guitar "sing" People who know in this live that are many. 1971 announcement
